## Team Member Spotlight

Jolynn Treadway, Certified Nurses' Aide, was nominated as Employee of the Month. She does outstanding work in caring for the residents; she is dependable and respected by her co-workers. She did an awesome job during our annual State survey. The State survey team even offered a compliment stating, "She was one of, if not the best they had ever seen." That is a huge statement and we are so blessed she is on our team. Thank you for all you do, Jolynn!
