Prepare for Spring Weather

The arrival of spring means warmer weather is on its way, but there are plenty of cool days left as the seasons change. Be prepared for fluctuating temperatures by dressing in layers, which you can remove if you get warm and put back on if you get chilly. Also be sure to wear secure footwear and to grab an umbrella before leaving on outings.

Happy Birthday to the U.S. Army Reserve

The United States Army Reserve, a force made up of both military members and civilians, was founded on April 23, 1908. Living up to the slogan "Ready Now! Shaping Tomorrow," their role is to be ready to go within a moment's notice when the U.S. military is in need of additional manpower.

Homemade Bird Feeder

With spring upon us, flowers begin to bloom and birds begin to tweet. Give those birds a delicious treat with a homemade bird feeder. Simply grab a box of unflavored gelatin and a bag of birdseed at your local grocery store. Mix 1/2 cup hot water and one packet gelatin; once the gelatin is dissolved, pour 1 cup birdseed into the liquid and mix to evenly coat. Next, fill a muffin tin or other fun-shaped molds with the concoction, and allow the mix to harden before "throwing" the snacks to the birds.

Michelle Reynolds was nominated for Employee of the Month. She is a CNA at White Hall Nursing and Rehabilitation Center, and we are very happy to have her as part of our family.

A store manager overheard a cashier tell a customer, "We haven't had it for a while, and I doubt we'll be getting it soon." The manager quickly intervened and assured the customer the store would have the item she wanted by next week and ushered her out of the store. He then turned and scolded the employee, "Never tell customers that we're out of anything; tell them we'll have it next week. Now, what did she want?" Bemused, the clerk replied, "Rain."

"Why does moisture destroy leather? When it's raining, cows don't go up to the farmhouse yelling, 'Let us in! We're all wearing leather! We're going to ruin the whole outfit here!'"

—Jerry Seinfeld
